

FloorMate®

MULTI-FLOORPLUS
HARD FLOOR
CLEANING SOLUTION

So, you're cleaning your hard floors with the Hoover® FloorMate® cleaner. Obviously you mean business. You don't mess around. We like your style. So to assure that you get just what you need, we've formulated this biodegradable solution especially for your FloorMate® cleaner. It's safe for all your hard floor surfaces, including tile, linoleum, laminate, marble, and sealed hardwood. With this solution, you'll get a fresh scent and a residue-free clean—why are you still waiting? For us, your FloorMate® cleaner—that's a Hoover® clean floor waiting for you!

Not recommended for unsealed hard surfaces.

Directions

1. Mixup your floor, grout and tough stains with Hoover® Grout Cleaner or Hoover® Wipes.
2. Shake well. Add 1/2 ounce of solution to each quart of hot tap water. Do not boil water.
3. To operate your FloorMate® or Hard Floor Cleaner properly, follow the instructions in the owner's manual.

Instrucciones

1. Limpie bien previamente las manchas de grasa y las manchas oscuras con el limpiador de juntas Hoover® o con el polvo Hoover®.
2. Agite bien el producto. Añada 1/2 onza de limpiador por cada cuarto de agua caliente del grifo.
3. No mezcle el agua. Para usar su aspirador FloorMate® o aspirador para suelos duros Hoover® correctamente, siga las instrucciones del Manual del propietario.
